

# Help stop the spread of COVID-19

## STAY HOME. STAY SAFE!

Avoid public interaction and travel except that which is absolutely necessary.

If you must leave your home for permitted reasons please use the following guidelines provided by the CDC.

**6 ft between you & others**

**Wash hands with soap**

**Sanitizer with 60% alcohol**

Clean & Disinfect

**Clean & disinfect surfaces**

Don't Touch Your Face

**Do not touch your face**

## Feeling sick? **STAY HOME!**

Fever, cough, and shortness of breath may be symptoms of COVID-19. Do not risk the potential spread of the virus. **Stay home and CALL your medical care provider for instructions.**

**Only seek emergency medical attention if you have:** Trouble breathing, Persistent pain or pressure in the chest, New confusion or inability to arouse, Bluish lips or face.
