## **DRINKING WATER NOTICE**

August 29, 2022 – 12:27 PM

A handwritten signature in blue ink, likely belonging to Stephen Guy, is located to the right of the date.

The City of Fenton Water System  
Areas of  
**North Road, Forest Drive and Worchester Dr.**  
have **passed** all bacteriological sampling.

You no longer need to boil the water before drinking or using. The water has been determined to meet state drinking water standards.

We thank you for your patience during the repairs. While we still have surface work to finish, all work to the watermain has been completed and we do not anticipate any further disruptions of service for this area.

If you have questions or concerns you may contact Stephen Guy, Water Treatment Superintendent, City of Fenton (810) 614-1761 or [sguy@cityoffenton.org](mailto:sguy@cityoffenton.org).
